Ontario Trillium Foundation Grant – Thamesford Pool

Zorra Township – The Township of Zorra would like to announce that the Ontario Trillium Foundation (OTF) has approved a grant of \$54,200.00 for renovations to the Thamesford Pool. The renovations will increase access to the pool for seniors and people with disabilities by creating a wheelchair accessible washroom and change area, and adding an easier entry point to the pool. Additional upgrades to the change rooms and wiring will increase safety to this well-used community facility.

MPP Oxford Ernie Hardeman expressed his congratulations in a letter to the Township of Zorra and commended the Township for maintaining the building and ensuring that it continues to be available for use by all members of the community.

Mayor Margaret Lupton remarked; “This project would not have happened without the support from the Ontario Trillium Foundation. These renovations will continue our program of increasing access to all municipal facilities especially for people with disabilities and seniors.”

Construction is expected to begin in early spring 2012 and be completed for the summer of 2012 pool season.
