

NOTICE

of

PUBLIC MEETING

Z.A.C.C. [Zorra arena community complex]

THURSDAY FEBRUARY 23 2012

7:00 P.M

Thamesford arena recreation hall

This notice is to bring your attention to the IDEA and PROPOSED PLAN to construct a New Arena and to Renovate the existing facility into a Recreation / Community Complex

WANTS NEEDS IDEAS

As a community do we WANT a complex with provisions for a gymnasium,[basketball, volleyball, badminton, fitness centre]? Do we want a Seniors Centre where one could go and do what Seniors do? Do we want an indoor swimming pool? Do we want rental spaces to help off set the cost of maintaining the Complex? These are just a few of the questions to be asked.

The Thamesford Trojans Junior Hockey Club NEED a larger ice surface and a larger seating capacity. The needs are not solely focused on the Trojans, but on everyone who uses the facility whether it be Thamesford Minor Hockey, Zorra Girls Hockey, N.B.C. Hockey, or The Thamesford Skating Club. Is there a need for a Seniors Centre, daycare centre, a fitness centre? Maybe not now, but what about 5 years from now? Once again, these are all needs that should be considered.

Your IDEAS are of value to a community that cares. Your ideas are not about tomorrow but the years to follow. Your ideas are important to your community. Please attend this very special and important first meeting.

Hind sight is said to be 20/20. The future, however, is a calculated guess based on enthusiasm, optimism and vision.
