

**TOWNSHIP OF ZORRA
CLASS ENVIRONMENTAL ASSESSMENT
BRIDGE 43
41ST LINE, CONCESSIONS 5 & 6,
LOTS 9 (WEST ZORRA)
NOTICE OF STUDY COMMENCEMENT**

The Corporation of the Township of Zorra is studying the structural and physical deficiencies associated with Bridge 43, located over a Tributary of the Middle Thames River. Options include various rehabilitation alternatives, including coating of structural steel, in order to eliminate deficiencies and provide improved levels of traffic service, overall safety, and extend the life of the structure.

The project is being planned under Schedule B of the Municipal Class Environmental Assessment.

Public input and comments are invited and will be received until December 4, 2009. Subject to comments received and receipt of necessary approvals, the Corporation of the Township of Zorra intends to proceed with the planning and design of this project for future construction.

If you wish to comment on this project or provide input or require further information, please contact:
